VIII. **Description of Outstanding Obligations under Section 33413:** This section describes the outstanding inclusionary and replacement housing obligations, if any, under Section 33413 that remained outstanding prior to dissolution of the former redevelopment agency as of February 1, 2012 along with the Authority's progress in meeting those prior obligations, if any, of the former redevelopment agency.

**Replacement Housing Obligation:** According to the 2010-2014 Implementation Plan for the former redevelopment agency, there were no replacement housing obligations that were outstanding that were transferred to the Authority.

As noted in the Plan, the Authority met the obligations for replacement of the units that were listed. These replacement housing obligations were met (in terms of number of bedrooms and by affordability levels) either through onsite replacement of the units or through relying on the excess affordable residential units constructed within the required time frame as noted in the Glendale Housing Inclusionary and Replacement Bank spreadsheet maintained by the Community Development Department Housing Division.

There were no additional projects that incurred replacement obligations between the date the Plan was written (July 2009) and the dissolution of the Glendale Redevelopment Agency on February 1, 2012.

**Inclusionary/Production Housing Obligation.** According to the 2010-2014 Implementation Plan for the former redevelopment agency, no Section 33413(b) inclusionary/production housing obligations were transferred to the Authority.

As noted in the Plan, the Authority met the obligations for production of affordable housing that had resulted from construction of new residential units listed in the Plan. (Note: Some development projects listed in the Plan did not go forward.)

Production housing obligations were met (in terms of number of units and by affordability levels) either through onsite replacement of the units or through relying on the excess affordable residential units of appropriate affordability levels that were constructed within the required time frame as noted in the Glendale Housing Inclusionary and Replacement Bank spreadsheet.

There were no additional projects that incurred housing production obligations between the date the report was written (July 2009) and the dissolution of the Glendale Redevelopment Agency on February 1, 2012.

The former redevelopment agency's Implementation Plans are posted on the City's website at <http://www.glendaleca.gov/government/departments/glendale-economic-development-corporation/glendale-successor-agency> .

- IX. **Extremely Low Income Test:** This section provides the information required by Section 34176.1(a)(3)(B), or a description of expenditures by income restriction for five year period, with the time period beginning January 1, 2014 and whether the statutory thresholds have been met. However, reporting to the Income Test is not required until 2019 and so is not provided at this time.

Section 34176.1(a)(3)(B) requires that the Authority must require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% or less of the AMI. If the Authority fails to comply with the Extremely-Low Income requirement in any five-year report, then the Authority must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report until the Authority demonstrates compliance with the Extremely-Low Income requirement.

- X. **Senior Housing Test:** This section provides the percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the Authority, its former Redevelopment Agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the Authority, its former Redevelopment Agency and its host jurisdiction within the same period.

For this Report the ten year period reviewed is January 1, 2004 to January 1, 2014.

The Authority is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Authority, the former redevelopment agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Authority, the former redevelopment agency and/or City within the same time period. If this percentage exceeds 50%, then the Authority cannot expend future funds in the LMIHAF to assist additional senior housing units until the Authority or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

<b>Glendale Senior Housing Test</b>	<b>January 1, 2004 to December 31, 2014</b>
Number of Assisted Senior Rental Units	68
Number of Total Assisted Rental Units	466
Senior Housing Percentage	14.5%

- XI. **Excess Surplus Test:** This section provides the amount of excess surplus in the LMIHAF, if any, and the length of time that the Authority has had excess surplus, and the Authority's plan for eliminating the excess surplus.

Excess Surplus is defined in Section 34176.1(d) as an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the Authority's preceding four Fiscal Years, whichever is greater.
